In examining his surroundings, he sees signs in French that indicate he is not in Brighton. Poor James has been sent to live with his mean aunts who mistreat him and make his life miserable. The authors worked to prove this to naysayers in the article, and they disapprove of the fact that breeds are stereotyped. Media Platforms Design Team Start in plank position, hands under your shoulders and feet hip-width apart, with your body in a straight line from head to heels. The next day while cleaning his wounded leg, she makes a comment about the soap and hard water in Brighton (where they are located). Peter has been to Brighton before and realizes something is wrong because the area generally has soft water. Unsure of his options, he bails out of the plane and next awakens in a hospital room. The book is magnificently humorous and fun, and it has inspired two movies. The distinct color scheme and interesting way of cussing without really cussing, for example, can prompt great discussions. After they leave, Peter swears he hears a JU-88 German airplane flying about which has a very distinct sound in contrast to the British plans. He manages through pain and discomfort to crawl and pull himself up to the window. He bails out of his plane and later awakes to find himself in a hospital bed in Brighton, on the English coast.
